Dear Friend,

I am very grateful for the participation of nearly 2,000 of my constituents in a recent e-newsletter survey regarding the economy. The insight you offered helps me to serve you better here in Washington, D.C.

The results of this survey were very interesting and I was pleased to share the results with my colleagues on the House floor. You can read a transcript of my remarks [here](#) or watch the video [here](#). Also, I've included the full results of the survey below.

I look forward to sending more of these surveys in the future and hope for continued and growing participation from residents of the 3rd District.

Sincerely,

Daniel E. Lungren
Member of Congress
